

Are you ready for Virtual ITF, version 2.0?

Join thousands of Thespians from around the globe for the ultimate summer celebration of school theatre! The Virtual International Thespian Festival brings together the best performances, top teaching artists, and premier colleges and universities for a community-centered experience like no other. Plus, with daily surprises and special Broadway and Hollywood celebrity appearances, you never know who might stop by.

- Participate in one-of-a-kind workshops highlighting every theatre interest
- Enjoy more than a dozen acclaimed performances, all created especially for virtual audiences
- Audition and compete for scholarships with more than 60 colleges and universities
- Showcase your talent in the Thespy® Awards program, earning valuable recognition and feedback. NEW this year: You can choose to participate in more than one Thespy category!

The cost for Virtual ITF is \$180 with an additional \$20 fee for juniors who wish to participate in college auditions.

The drama club will plan to pay \$60 of any person's registration and will pay for any student doing college auditions. We have asked the drama boosters to match that \$60. That means it would cost you only \$60 to participate.

Your \$60 payment (assuming that the boosters approve \$60 per student at their December 8th meeting), made out to PV Drama, will be due by January 11. Questions? Contact Mrs. Myatt at myattchristina@pleasval.org.
