

Fall Company Lists

A huge thank you to all who auditioned for Rabbit Hole and Urinetown. We had some very tough decisions to make! We were very impressed with the talent level we saw and look forward to working with all of you whether onstage or backstage. Watch VSM for announcements about picking up scripts, rehearsals and crew calls.

If you were not cast, please talk with Mrs. Myatt and find a way to be involved. It takes all of us together to put on the number and quality of shows that we do. Everyone is welcome.
